EXPERIENCE

ConveGenius.AI | *Product Intern*

- Developed interactive math learning modules for the SwiftPal app using HTML, CSS, and JavaScript, enhancing engagement through gamified UI and real-time feedback mechanisms.
- Collaborated with cross-functional product teams to design and iterate on user-centric math interactions, aligning with the app's educational goals and user experience standards.
- Optimized and deployed scalable interactive components, ensuring responsive design and seamless performance across various devices and screen sizes.

EDUCATION

National Institute of Technology Delhi, New Delhi

Bachelor of Technology in Computer Science

CGPA: 7.55/10

Graduating 2026

Stepping Stones School, Chandigarh

CBSE Class XII

Percentage: 94.60%

Completed June 2021

SKILLS

Languages: C++, Python, JavaScript, HTML, CSS, MySQL, MongoDB (basic)

Frameworks & Libraries: ReactJS, Tailwind CSS, Numpy, Pandas, Scikit-Learn, Node.js

Developer Tools: Jupyter Notebook, VSCode, Raptor, StarUML

TECH PROJECTS

Harmonika | *Python, Machine Learning* | [Link](#) — 🌐

- Designed the web-scraped music recommendation site using Flask, enabling seamless integration with the frontend built with NextJS and Tailwind CSS.
- Scraped and analyzed data from music platforms using BeautifulSoup and requests, collecting over 10,000+ music records.
- Implemented machine learning algorithms to enhance recommendation accuracy, resulting in improved user satisfaction.

ChatSphere | *MERN, Socket.io, Tailwind CSS, Daisy UI* | [Link](#) — 🌐

- Built a full-stack real-time chat application using MERN stack and Socket.IO for live communication.
- Implemented JWT-based authentication and real-time user status updates.
- Designed a responsive, intuitive UI with Tailwind CSS and Daisy UI.

ShopSpectra: Mall Management System | *JavaScript, EJS, Bootstrap, MySQL* | [Link](#) — 🌐

- Built a full-stack mall management system enabling users to browse malls, view shop details, and submit customer reviews. Data stored and retrieved from a MySQL database.
- Implemented admin dashboard with authentication to manage malls, shops, customer activity, and transactions using JavaScript and RESTful APIs.
- Designed dynamic EJS views and responsive Bootstrap UI for seamless navigation and user experience.

EXTRA-CURRICULAR

Roles and Responsibilities: Executive Member at Think India Cell, NIT Delhi

Activities: Secured 1st rank in Tech ODDESY organized by the Tech Club at NIT Delhi.

Interests: Chess, Cricket

COURSEWORK

Courses: Object-Oriented Programming, Data Structures & Algorithms, Database Management Systems, Operating Systems, Computer Architecture & Organization, Artificial Intelligence, Software Engineering
